2022 Oregon Individual Enrollment Application and Change Request Form

Thank you for considering Regence BlueCross BlueShield of Oregon for your Individual health insurance coverage. Please complete all sections of this form in black ink. Anything left incomplete may delay your coverage effective date (the day your coverage begins). Applications must be received on or before the 15th of the month in order for coverage to start on the 1st of the following month. We may call you if we have questions about information you provide.

You can apply with this application or save time by shopping for a plan at regence.com. If you want to buy coverage through the Oregon Health Insurance Marketplace (Marketplace), go to Healthcare.gov.

If you need help completing your application or have questions, contact your insurance producer (agent) or call us at 1-888-REGENCE.

Section 1: Application type

Check the boxes that apply to you. If you're applying outside of open enrollment, you must have a qualifying event (see Section 3: Qualifying events).

☐ I'm applying to become a new Regence member

☐ I'm a current Regence member (Member ID #: _____) and want to:

- ☐ Change my plan (call us or complete this form).
- ☐ Add a child (complete this form).
- ☐ Add a spouse/domestic partner (complete this form).
- ☐ Cancel my existing medical policy and apply for a new Individual medical plan (call us or complete this form).

I wish to cancel my current medical policy with Regence on the effective date of my new Individual policy.

_____

Signature and date

To change to a new plan, your premium payments must be up to date. If your policy is canceled because your premium wasn't paid, you will need to send us a new application.

I would like coverage to start in the month of _____. We may have to change the start date you request based on your eligibility. Your rates may change depending upon your preferred effective date. Specific special enrollment qualifying events such as birth or adoption require that coverage begins on the date of the event. Coverage is not guaranteed.

Section 2: Eligibility

You can apply for Individual health coverage if you are both:

- A resident of Oregon, with a primary residence in Oregon for at least 6 months each year.
- Not enrolled in a Medicare plan. Additionally, any dependent enrolled in a Medicare plan will not be eligible for coverage under this Policy. If you're 65 or older but not eligible for Medicare, please submit a "Not Eligible for Medicare" document from the Social Security Administration.

What about dependents?

You can include these dependents on your plan:

- Your spouse or domestic partner
- Your or your spouse's/domestic partner's children (including children placed with either of you for adoption, or adopted by either of you) under age 26
- Children who you or your spouse/domestic partner are legally required to cover due to a qualified medical child support order
- Your or your spouse's/domestic partner's disabled children age 26 or over. (We will need a copy of the "Medical Certification of Disability for Disabled Children" form, available on regence.com)

When can you apply?

1. Open enrollment: Every fall, Oregon holds open enrollment for individuals applying for coverage to start the following Jan. 1 or thereafter. You can find this year's dates on regence.com. We need to receive your application during open enrollment.
2. Special enrollment: You can apply outside open enrollment if you have a qualifying life event (like a birth or a marriage) that changes your coverage needs. See Section 3 to learn more.

Section 3: Qualifying events

Complete Section 3 if you've had a life event that changes your coverage needs outside the open enrollment period. Check the box next to the situation that applies to you and include the requested documents. You must apply no more than 60 days after the date of the qualifying event.

If you're applying during open enrollment and not due to one of these situations, skip to Section 4.

To take advantage of the pre-tax savings offered by your HSA financial account from day one, we recommend you open your account by your health plan effective date.

An HDHP option offers its most value when you set up its health savings account (HSA) with a financial institution. You can use our preferred partner, HealthEquity®, or use any other institution.

- ☐ Yes, I authorize Regence to share my eligibility and claims information with HealthEquity for the purposes of establishing and administering my HealthEquity Health Savings Account (Social Security number must be provided in Section 6).

Section 9: Payment options

We offer two ways to pay your premium:

☐ Electronic funds transfer (EFT) from a bank account to Regence. Please fill out the EFT authorization agreement. EFT occurs around the fifth of the month and typically takes one or two days to post to your account.

☐ Monthly bill. If you select this option, we'll send you a bill every month.

Is any third-party payer paying for any portion of this policy?

☐ Yes ☐ No

If yes, please indicate payer type and payer name:

☐ Parent/Guardian/Relative
☐ Individual Coverage Health Reimbursement Arrangement (ICHRA)/ Qualified Small Employer Health Reimbursement Arrangement (QSEHRA)
☐ Employer
☐ Other

_____

Are you self-employed, planning to pay your premiums with your business account?

☐ Yes ☐ No

If yes, what is the name of your business?

_____

Note: We do not accept third-party payments from employers, providers and not-for-profit agencies unless required by law.

If you indicate an ICHRA/QSEHRA as a payer, you must pay your premium and request reimbursement from the ICHRA/QSEHRA.

Authorization to my bank

Depending on the timing of your effective date, your first premium payment may have to cover multiple months. If more than one month's premium is due for the first draft, do you authorize Regence to pull the full amount from your account?

☐ Yes ☐ No

If you check "No," you are not eligible for EFT right away. You can enroll in EFT and provide your bank information at a later time.

I (or we, if this is a joint account) authorize Regence to charge my/our checking account for monthly premiums for the below named individual. I/we also authorize my/our bank to honor these monthly charges. This authority remains in effect until I/we revoke it in writing and provide notice to Regence.

Regence BlueCross BlueShield of Oregon Broker Commission Disclosure

If you purchased your health insurance coverage using an insurance broker, the below commission schedule discloses the commission amount Regence paid to your broker. The commission is paid on a per-enrolled individual basis for each month that the individual is enrolled with Regence. The commission schedule lists both the monthly and annual commission amounts your broker would receive over the course of one year for each individual enrolled on your health insurance plan.

Regence BlueCross BlueShield of Oregon Final Commissions for 2022 enrolled Individuals

Open Enrollment (OE) and Special Enrollment Period (SEP)

Coverage	Monthly commission per each enrolled member	Annual commission per each enrolled member (monthly amount x 12)
Regence Medical	$16.00	$192.00
Regence Dental	$2.00	$24.00

* There is a commission cap applied to enrolled individuals up to 20 years of age that limits commission payment to a maximum of three such individuals. There is no commission cap for enrolled dependents between 21-25 years of age.

In addition to the above commission schedule, your broker may receive additional compensation from Regence based on the overall number of individuals who purchase health insurance coverage from Regence through your broker. Those additional payments can vary from $20 per enrolled individual to $28 per enrolled individual depending on the total number of individuals who purchase health insurance coverage from Regence through your broker.
